## DEPARTMENT OVERVIEW

National College, established in 1995, has been a cornerstone of academic excellence and innovation. The Department of Commerce, a vital component of the college, has played a pivotal role in shaping the careers of countless individuals over the years. In 1996, the introduction of the B.Com (Computer Application) program marked a significant stride, aligning our offerings with the emerging trends in technology.

Building on this foundation, the B.Com Tax Procedure and Practice Program introduced in 2015, and the M.Com programs were introduced in 2012, addressing the increasing demand for specialized knowledge in taxation and advanced commerce studies. These programs reflect our commitment to staying at the forefront of educational offerings, catering to the diverse needs of students aspiring to excel in the dynamic field of commerce.

As we celebrate our rich history and embrace the challenges of the future, the Department of Commerce at National College remains dedicated to providing a transformative education that not only prepares students for successful careers but also instills in them the values of integrity, **innovation, and social responsibility.**

## ACADEMIC PROGRAMS:

The Department of Commerce at National College places a strong emphasis on keeping its academic programs relevant and dynamic. The B.Com (Computer Application) program underwent enhancements to incorporate the latest technological advancements, ensuring graduates are well-prepared for the digital era. The B.Com Tax Procedure and Practice program maintained its focus on providing practical knowledge, and equipping students for successful careers in taxation and finance. The M.Com program continued to attract postgraduate students seeking advanced knowledge in commerce and research

## ENROLLMENT AND STUDENT PERFORMANCE:

National College's Department of Commerce experienced a notable increase in enrollment across its programs. The B. Com (Computer Application) and B. Com Tax Procedure and Practice programs continue to be highly sought after, attracting students eager to acquire specialized skills. The academic performance of our students remains commendable, with a high rate of success and achievements in various academic pursuits.

## FACULTY AND STAFF:
