

## **DEPARTMENTAL ALUMNI MEET 2K22**

Considered as the best part of one's life, campus days always hold a bittersweet position in all our minds. Apart from the academic scenario, college life is an amalgamation of numerous tantrums, nostalgic yearnings and so on. A trip down the memory lane would surely leave one watery-eyed.

The Departmental Alumni Meet 2K22 was conducted on the 25th of June, 2022.

The meeting began at 11 am with a silent invocation to God Almighty. The Principal Dr. S.A. Shajahan addressed the gathering. He shared his valuable reminiscences of his campus life and also emphasized on the strength of the valuable bonds obtained during college days. Twenty former students participated in the Departmental Alumni Meet. Each of them spoke about memories regarding their Alma Mater - their experience as a student, the friendships they formed and still cherish; they also mentioned how the institution served the purpose of guiding them to the right path in life.
