ANNUAL REPORT 2021-2022

DEPARTMENT OF COMPUTER SCIENCE

NATIONAL COLLEGE
Manacaud, Trivandrum

Message from the HOD

It gives me immense pleasure to lead the Department of Computer Science. We started our journey in the year of 1995 with computer stream, which is the essence of today's world. The department offers under graduate degree programs in Computer Science and Computer Applications.

The department has a team of highly experienced and motivated faculty members who are in process of tuning the young minds to make them globally competitive. The strength of the department is highly inspired students who understand the dynamics of the diligence and upgrade their skills accordingly.

Beyond their excellence in academics the students show their talents in games, cultural programs and many other activities. We have top class students who are consistently getting placed in leading MNCs, TCS, Wipro, Infosys, Accenture, Amazon etc. with the highest package. Good number of students are joining prestigious institutions and foreign universities for higher education.

I am very much honored and pleased to work with this department.

I wish all the students and faculty a great academic career...

Regards,

Dr. Allwin D,
HOD, Department of Computer Science,
National College.

Department of Computer Science

About the Department

The department of Computer Science was established in the year 1995 along with the beginning of National College as one of the prime self-financing colleges in Kerala under the University of Kerala. The department embraces various technical as well as industry obligate courses where the course of BSc. Computer Science was established in 1995. In 2005, the department vitalized itself with MSc in Computer Science. Also BCA was added to the department which reinforced the ideology of the department.

The department is distinguished with quality education and is eminent for various curricular as well as extracurricular activities to make the students explore the fields to its maximum and they could stand out.

Vision of the Department

To be the prime pacesetter in Computer Science and to raise the students into world class professionals with eminent programming skills.

Mission of the Department

- To improve and upbring the skills in various fields of Computer Science to meet the needs of the Industry, Society and the Nation.
- To give rise to competent graduates with professional skills, responsibilities and commitments.
- To achieve excellence in cutting edge science studies to the students through effective and hands-on tools and technologies.
