# ANNUAL REPORT

**2021 - 2022**

## **The Manarul Huda Trust**

Founded in 1982 by our illustrious Chairman , Haji Dr. M K Kamaluddin, the Manarul Huda Trust has made its mark in diverse fields, especially in the upliftment of the educationally backward Muslim community. He articulated his vision of a distinctive institution against the backdrop of Islamic culture and traditions to fulfill the aspirations and needs of modern society.

The trust has an impeccable track record of running world classic academic institutions from nursery to higher secondary level and at the undergraduate and post- graduate levels in various disciplines both in India and UAE. The trustees are involved in various social and industrial activities such as Islamic banking, software export companies, import and export of Chinese handicrafts, offset printing etc.,

## NATIONAL COLLEGE

National College, affiliated to the University of Kerala, was started by Manarul Huda Trust in 1995, with a view to promoting quality education. The College currently has 12 under graduate courses and 4 Post graduate courses. Having completed twenty-five years of glorious period, the College is proudly observing Silver Jubilee Celebration. The College has ever been committed to uphold institutional values like excellence, honor, ethics, efficiency and accountability. Discipline and character are never compromised while giving the highest importance to academic performance. The management never tries to wheel and deal with an almost singular focus on filling seats by diluting admission procedures. Ultimately what matters to the college is value education, whereby a conducive campus environment is created for the ideal growth and development of students. Nature club and NSS educate the students on the necessity of building up an eco- friendly atmosphere for Nation's bright future. Department of social work takes the leadership of capacitating students to take up various community services. Physical Education department takes care of the sports and Athletic development of students. It is instrumental in the development of physical and emotional health of students. Other departments also work hard to inculcate social values in students in the process of achieving academic success.

### **The Mission**

- To develop the educational skills of the taught so that they can face the modern, vibrant facets of life and thereby inculcate the sustainability in any adverse environment.
- To Kindle the service mentality of the taught.
- To maintain the spirit of Universal brotherhood in the heart of all.

### **The Vision**

To bring forth the best out of the multitudes with excellent proficiency both in academics and in retaining the moral values, which is the ultimate goal of human existence.

**“Education is the most powerful weapon which you can use to change the world”.**

A holistic education implanted in tradition and embedded in culture: where educators pursue and wade into the psychological, societal and pedagogic requirements of the student in a homogeneous learning environment is the compelling need of the moment. Education metamorphoses communities, domains, nations and the prospects of Humanity. Today’s children are tomorrow’s leaders. The educational establishments mold the students by affording variegated junctures to develop their interpersonal skills , morals and therein revamp each student into a human resource .We serve as harbingers of a paradigm shift where the students participate collectively as members of the society and contribute to its development while realizing their potential. “

**Dr. S A Shajahan**  
Principal

## **“Education is not about learning of facts but training young minds to think”**

Educational institutions occupy a special place in our community. Besides being temples of learning, they help in moulding the personality of young and impressionable minds by inculcating the virtues of Integrity, Character, Honour and Self Respect. They undertake all round development of our children and make them worthy citizens of tomorrow; something that the nation can be rightfully proud of.

We, believe that true education empowers minds that will be able to conceive good thoughts and ideas. A good career is important but a good character is paramount. We believe that 'individuals' are the atoms that hold tremendous power within to serve as agents of change and thus are confident that our students, enriched with a sense of high morality and social responsibility will be makers of a virtuous society.

National College aspires to achieve its visionary dream of its founder Chairman to provide world class education to the students and make them responsible global citizens with knowledge and skills. We are totally focused and determined to make our students achievers in the real sense and reach the pinnacle of success through hard and smart work.

I take this opportunity to thank God Almighty for His benevolence and generous blessings showered upon our institution through various people and events. I would like to express my sincere thanks to the Management and also the Principal who always guides, gives confidence and supports us. I extend my gratitude to all the staff members for their constant and amicable support towards the institution. I pray to the Almighty to bestow His abundant blessings.

*"Believe that you can achieve and you will"*

With sincere and warm regards,

**Justin Daniel**

Vice-Principal

## **IQAC ACTIVITY REPORT**

IQAC has been started functioning from the month of June 2022 onwards. A nine member cell was constituted with Principal Dr S A Shajahan as the chairman of the cell. The members are as follows:

- |    |   |   |                 |
|----|---|---|-----------------|
| 1. | Dr S A Shajahan   | : | Chairman        |
| 2. | Mr Shabeer Ahmed N  | : | Coordinator     |
| 3. | Dr Sreelekha  | : | Member          |
| 4. | Dr S Anita  | : | Member          |
| 5. | Miss Allwin D   | : | Member          |
| 6. | Mr Sudheer A  | : | Member          |
| 7. | Mr Justin Daniel  | : | Member          |
| 8. | Dr Raju Krishnan<br>(Former Joint Commissioner for<br>Entrance Examination, Govt. of . Kerala): | : | External Member |
| 9. | Mr Mohammed Afzal<br>(IT Director, MH trust)  | : | External Member |

As per the UGC norms the cell meets every three months in a year. The cell has introduced very effective innovations both in the academic and non-academic perspective of the college. The cell mainly focused on achieving the prestigious NAAC accreditation with highest grades within a span of two years.

The cell has taken initiative for the participation of our faculty in the five day faculty development program organized by Ramanujan College, Delhi. Nine faculty members from various departments successfully completed the program.

Introduction of Class Log Book and Staff Log Book was another important initiative by the cell. It mainly focused on the periodic assessment of both students and staff.

Two Government colleges were visited by the cell in order to learn the NAAC assessment and accreditation process.

1. A team led by principal Dr S A Shajahan along with Dr Mohammad Fazil and Mr Shabeer Ahmed N visited the Govt college Attingal.
2. Similarly in the month of November, a team consists of Dr S A Shajahan, Mr Shabeer Ahmed N, Mrs Fajisa Beevi, Miss Allwin D and Mrs Divya visited the Govt College Nedumangad.

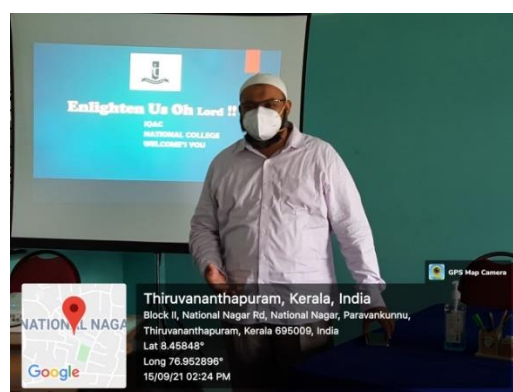

The visits were very successful and helped a lot to maintain the reports and files in various departments as per the UGC norms.

## Other major Initiatives

1. A seven days workshop for the introduction and the acquisition of NAAC accreditation and an assessment was organized both in offline and online mode by Dr Aravind, former Principal, Govt College for Women, TVM, Dr. Toji Dominic IQAC coordinator.
2. A faculty member from each department is assigned as coordinator to each items of various criteria and submit a report to the IQAC regarding the DLMC and subsequent actions.
3. Students were encouraged to participate in the Young Innovators Program of the Govt of Kerala. About 72 students under 9 teams submitted their innovative ideas in the program. A webinar was also organised by the IQAC on 5/2/ 2022 for our students to give an orientation on YIP. Around 75 participants including teachers and students attended the webinar.  
The Resource Person of the webinar was Mr Nipun from KDISC, Govt of Kerala. He explained the entire process of YIP registration and also cleared the doubts raised by some of the participants. The Webinar was really informative and helpful for the students and it cleared many apprehensions of our students regarding their eligibility for getting selected in the Young Innovators Program
4. Under the IQAC two major events were organized
  1. Merit o' National: A ceremony to honour the University rank winners and to the distinctive sports and arts performers. The event was inaugurated by Hon. Minister for Education Shri V Sivankutty. The meeting was blessed with the presence of Dr. Rajasree, Hon. Vice Chancellor Dr APJ Technical University and Dr Babujhan, Syndicate Member, University of Kerala.
  2. Insight o' National: A project to provide an opportunity for our students to meet the experts from various fields. Adv G R Anil, Hon. Minister for Food and Civil supplies inaugurated the function. Mr Mohammed Safeerulla IAS under took a major session on academics and career opportunities.
5. Continuing Education :  
Inorder to provide skill training along with curriculum, in association with State Resource Cell, Govt of Kerala, and Diploma course in Computer Application was started. The college campus was recognized as one of the sub centers of the State Resource Cell.
6. On Sept 5<sup>th</sup>, Teacher's Day celebration was organized. Dr Achuthsankar, Dean, Centre for Computational Biology, University of Kerala was the chief guest of the day.
7. On 11<sup>th</sup> September, a webinar in Career Opportunities in Biotechnology was organized in association with the Department of Biotechnology. Mr Biju Dharmapalan, Science Communicator, CISR-NISPR New Delhi was the Resource Person.
8. On 28 th October an Induction program for the first year students was organized in the campus. Dr S A Shajahan, our Principal inaugurated the function.

9. On 8<sup>th</sup> February a webinar was organized on behalf of National Intellectual Property Rights on 12<sup>th</sup> Mission on IPR for the staff and students of the college. Smt Devika R Nair, Examiner of Patents and Rights was the resource person.
10. On 12<sup>th</sup> march 2022, an FDP programme was organized for the teaching faculty of our college on the topic Blended Learning for Higher education. Mr Afzal Mohammed, Director IT Department, MH Trust was the Resource person.

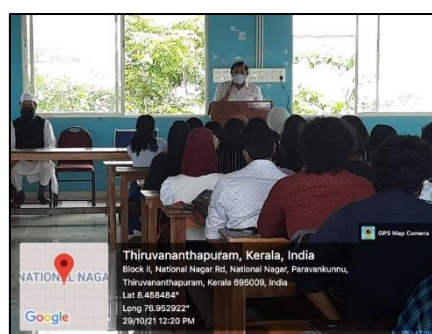

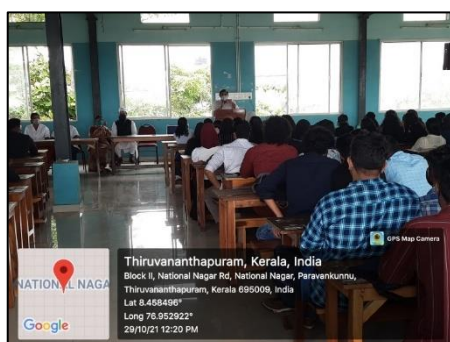

Many programs associated with various departments of the college were organized both inside and outside the campus with the intention to strengthen the academic excellence of the college.

# **DEPARTMENT ANNUAL REPORTS**

## **BIOCHEMISTRY & IMB**

The Department of Biochemistry and Industrial Microbiology (double main course) was formed in the year 2000. The department offers both undergraduate and postgraduate degree courses of the University of Kerala. Our department aspires to lead in the areas of Biochemistry & Microbiology. Main aim of our department is to enable the students to acquire opportunities and also to provide supporting infrastructure for students to achieve their aspirations.

Our degree program is a unique and comprehensive one designed to offer theoretical and practical training encompassing all the major areas of Biochemistry & Microbiology.

The department has got efficient and qualified faculties dedicated to teaching. We follow a well-disciplined teaching – learning process and maintain a good student – teacher relationship in campus. All our faculty members have excellent academic credentials from reputed Universities. Our staff members are enthusiastic and hard working. They work hard among the students to instill an interest in the subject . Our intensive training makes students to be competent for higher studies and to equip them to cater to the needs of bio industries both in teaching & research.

**2019-2022 Batch**

## **BOTANY & BIOTECHNOLOGY**

The Department of Botany and Biotechnology was established in the year 2005. During these years, it has recorded a consistent improvement in its academic and research activity which is evident from the student progression and research activities of the students. The Department has well equipped Botany and Biotechnology laboratories.

Being a highly refined and sophisticated discipline, the Department has accommodated experienced faculty members with a rich and varied teaching exposure. The curriculum is taught by combining academic excellence and real-world experience with dedication and commitment. The Department incessantly aims to train the students by imparting them with the latest industry required knowledge in the fields of Botany, Biotechnology and other allied areas.

The Department offers Undergraduate programmes both in Botany and Botany and Biotechnology. The updated curriculum contains projects which supplements theoretical knowledge with practical experience. These projects enable them to understand and learn science and it also give an opportunity to work as a team. The practical experience they gain enables them to do independent research as well.

We are confident that our current curriculum has enabled the overall development of a budding scientist to come up with scientific problems and to solve those using modern biotechnological approaches. Students are encouraged to organize events so that they get involved in activities of social relevance. Besides encouraging students to become proficient in their academic arena, the Department motivates them to participate in various personality enhancing activities. Students can easily make a career in leading industries, for which the Department conducts value added programmes to equip them for their prospective careers.

I hope that, with the sincere efforts by the faculty members and students, our department will be one of the leading Departments in the field of Botany / Biotechnology and contribute in generating trained manpower capable of taking leading roles in pharmaceutical industries, academia, bio-entrepreneurship and related areas.

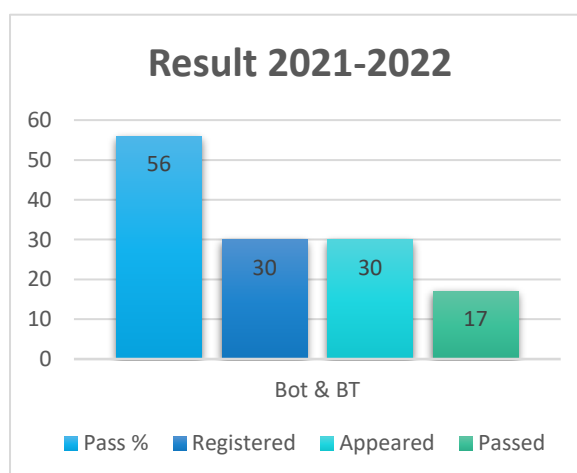

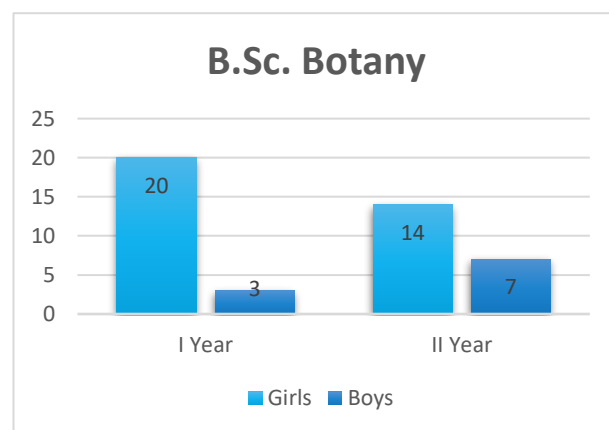

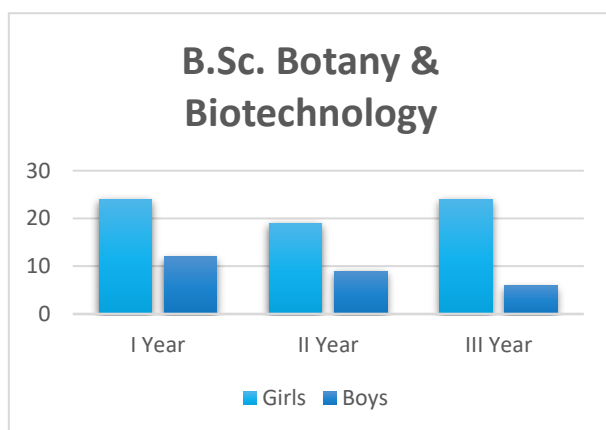

Regards,

Dr. ANITHA,  
HOD,

Department of Botany & Biotechnology

## DEPARTMENT OF COMPUTER SCIENCE

It gives me immense pleasure to lead the Department of Computer Science. We started our journey in the year of 1995 with computer stream, which is the essence of today's world. The department offers under graduate degree programs in Computer Science and Computer Applications. The strength of the department is highly inspired students who understand the dynamics of the diligence and upgrade their skills accordingly.

Beyond their excellence in academics the students show their talents in games, cultural programs and many other activities. We have top class students who are consistently getting placed in leading MNCs, TCS, Wipro, Infosys, Accenture, Amazon etc. with the highest package. Good number of students are joining in various prestigious institutions and foreign universities for higher education.

I am very much honored and pleased to work with this department. I wish all the students and faculty a great academic career...

Regards,

Dr. Allwin D,  
HOD,

Department of Computer Science,

### **About the Department**

The department of Computer Science was established in the year 1995 along with the beginning of National College as one of the prime self-financing colleges in Kerala under the University of Kerala. The department embraces various technical as well as industry obligate courses where the course of BSc. Computer Science was established in 1995. In 2005, the department vitalized itself with MSc in Computer Science. Also BCA was added to the department which reinforced the ideology of the department. The department is distinguished with quality education and is eminent in various curricular as well as extracurricular activities to make the students explore the fields to its maximum and they could stand out.

### **Vision of the Department**

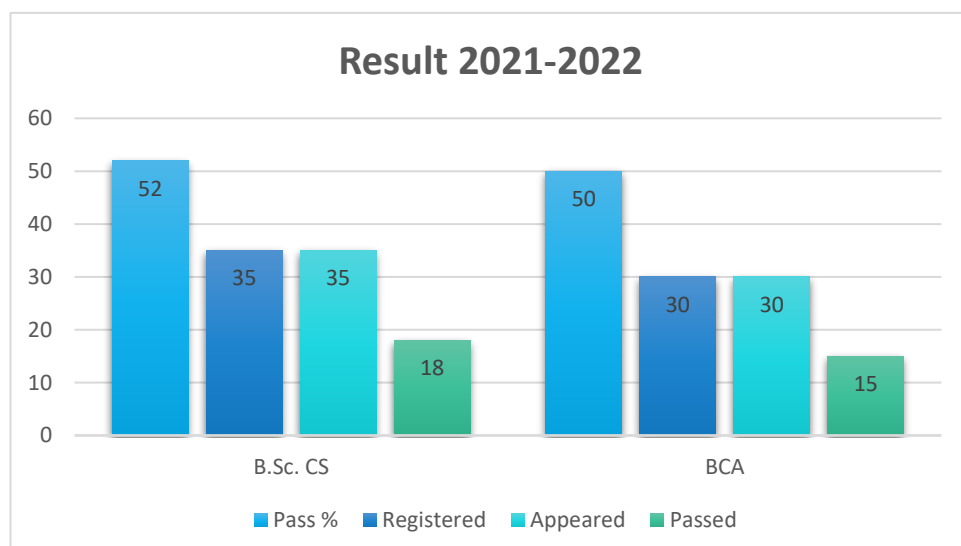

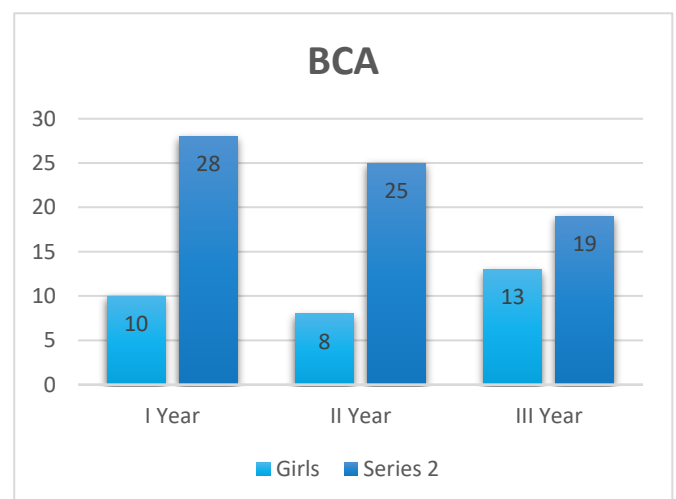

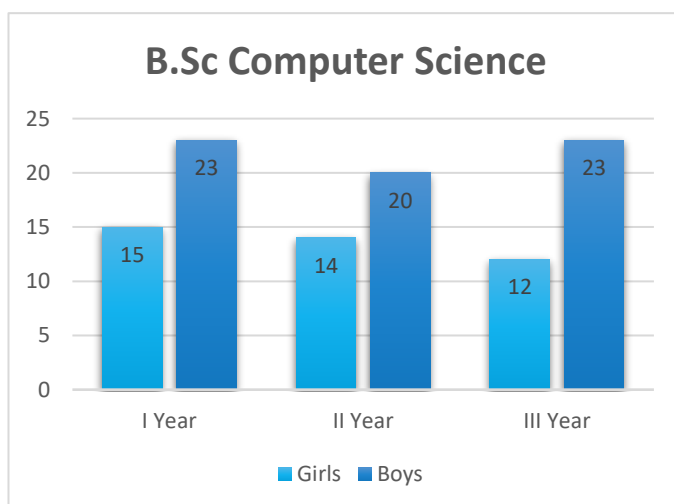

To be the prime pacesetter in Computer Science and to raise the students into world class professionals with eminent programming skills.

### **Mission of the Department**

- To improve and upbringing the skills in various fields of Computer Science to meet the needs of the Industry, Society and the Nation.
- To give rise to competent graduates with professional skills, responsibilities and commitments.
- To achieve excellence in cutting edge science studies to the students through effective and hands-on tools and technologies

## DEPARTMENT OF ELECTRONICS & PCA

I am privileged to offer you a warm welcome to the Department of Electronics and PCA at National College, Ambalathara.

Electronics serves as the foundation for Information Technology and Computer Engineering. It is a dynamic and exciting area that provides excellent career opportunities in various areas of technology.

The department faculties are committed to teach our students the fundamental concepts and the latest trends via smart teaching and learning process. The students are also taught with critical thinking and problem-solving skills as they accommodate their future with confidence. In addition to classroom teaching, the students are guided and motivated to practically implement the principles learnt in classrooms through experimentations in the laboratories and through innovation centers on Robotics and Internet of Things.

PCA course offers different physics, computer, and mathematics subjects to understand the different aspects of Physics including, theories, techniques, concepts and general principles. The students can develop the ability to read, understand and interpret physical information in verbal, mathematical and graphical aspects. Computer application subjects are formatted to teach the use, develop design and maintaining of computer application software, including integration of applications. Also, students can develop their experimental and data analysis skills through a wide range of experiments and practicals at laboratories.

Our Department is abound with innovation and creativity in teaching, learning and research. The vision of the department is to produce qualified and technically proficient personalities to serve industry and various research organizations. All this is made possible by the qualified and experienced faculty members of the department. The discipline of our department is dynamic and ever evolving. This is truer than ever in the present era given the fast changing technologies in this field. This calls for equivalent changes in Academia to cope with the changes.

In addition to academic, our students can participate in different co curricular activities of our college.

Regards,

Sudheer.A

## **ABOUT THE DEPARTMENT**

Department of Electronics is one of the first constituents of National College,. We started functioning in our college since 1995, and turned to be one of the glorious department in our college. Recently a new job oriented course PCA is also added to our family. Now we have 6 UG and 2 PG batches in our department.

The ultimate aim of our department is to produce professionally capable personalities with the ability to take up the challenges posted to them. To achieve this goal, we have 8 dedicated teaching staff and one lab assistant. Around 145 students are studying in two streams, specialized to acquire the basic knowledge regarding electronics, physics and application level of modern computing.

## **VISION**

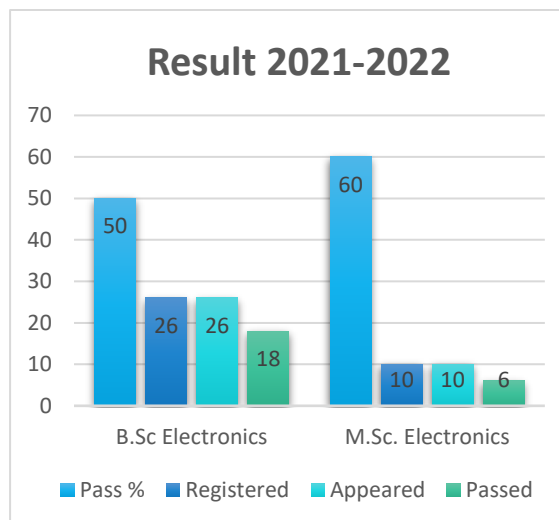

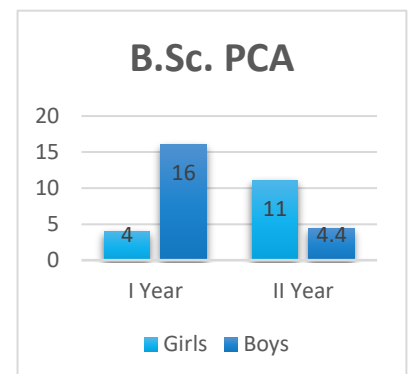

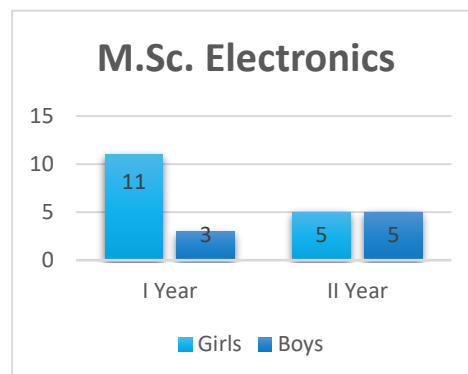

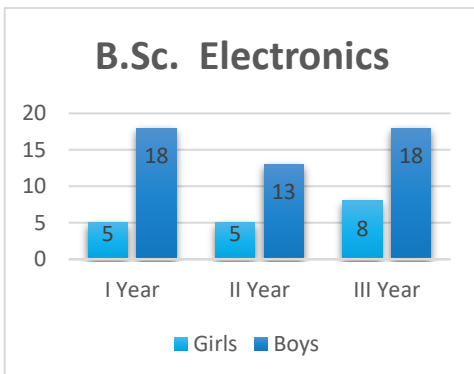

To awaken the young minds and discover their talents to become pioneer in higher learning and research and to produce creative solution to societal needs.

## **MISSION**

- To provide strong fundamentals and technical skills through effective methods
- To frame the students to follow heuristic approach i.e. learning while doing.
- To inculcate students with hard skills and soft skills.
- To provide ethical and value-based education by promoting activities addressing societal needs.
- To transform lives of the students by fostering creativity and innovation to become entrepreneurs and establish startups.

## **DEPARTMENT OF ENGLISH**

It has been a pleasant task to lead the department of English as the HOD with a team of highly motivated and talented teachers since the year of its existence as a separate entity during the year 2010 on the commencement of B A Communicative English. Our department had a humble start with 12 students. Later it marched forward prestigiously with the blessing of God Almighty and the guidance of Prof. Major Basheer Kannu who had been the then principal of our college. Now we can proclaim that the department offers U.G and P.G courses sheltering about 155 students. When I go back to its origin, I can bring to my mind the sweet memories of centum pass we got in most of the semesters of PG students who belong to various batches. A few of our UG as well as the PG students are moving out abroad every year for higher studies. Some are employed in countries like UK, Canada, Germany, Singapore, France, Italy etc.

I pray that the Almighty be with us in our endeavour throughout the existence of our prestigious, God given institution.

Regards,

Vanaja Santhini C  
HOD  
Department of English

### **ABOUT THE DEPARTMENT**

The Department of English started functioning as a separate department during the year 2010, with the commencement of the course BA English and Communicative English. The Post Graduate course in English Language and Literature was commenced in the year 2013. Our prestigious department has been moving forward proudly with new vigor, increased strength of the students and a reasonably good pass percent utterly by the whole-hearted effort of a talented team of dedicated faculty members.

All the courses have been offered following semester system. Both the courses follow Credit-based semester system with great enthusiasm. Equal attention is set aside both for the internal and external assessments.

### **VISION OF THE DEPARTMENT**

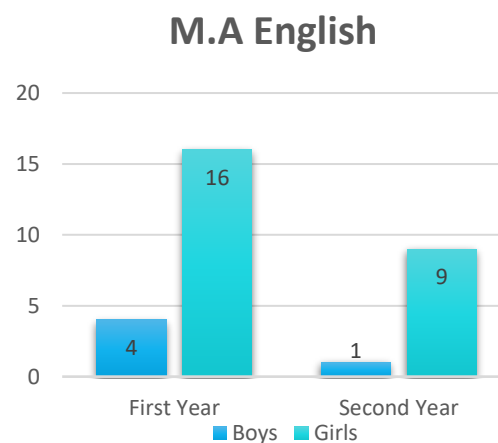

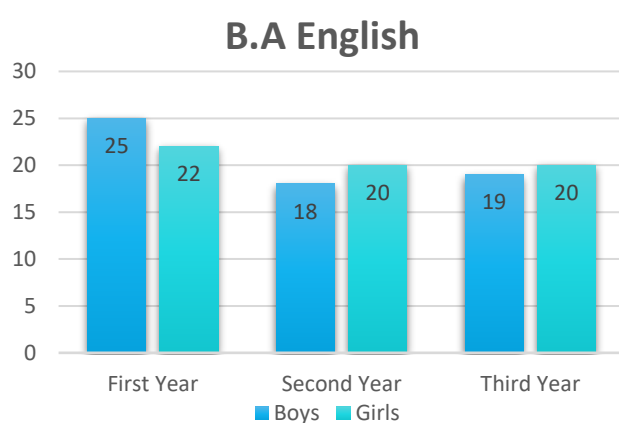

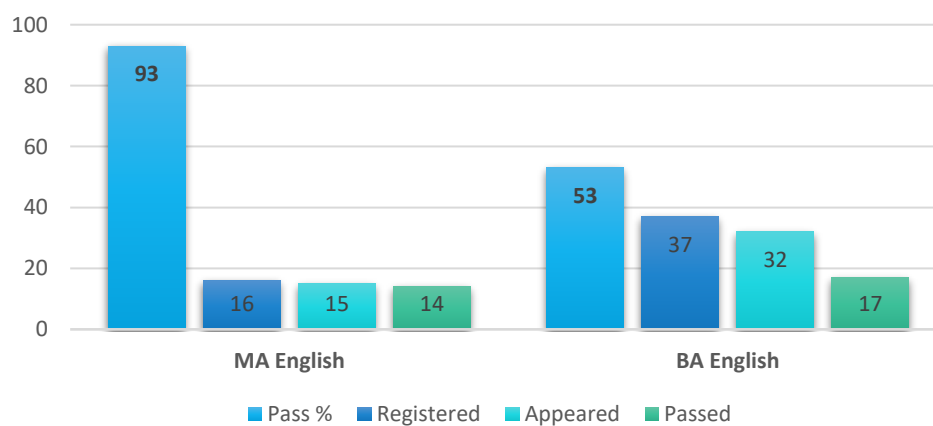

Augment English language skills of the students for developing creative insight and powerful literary talents to accomplish higher ideals of life.

### **MISSION OF THE DEPARTMENT**

Facilitate the students in building up modern communication strategies and language efficiency in English for meeting the emerging challenges of the new era.

## DEPARTMENT OF COMMERCE

It is of great honour on my part to lead the Department of Commerce as a newly evolved subject having greater importance in the upcoming era and understanding its core and essence, the department of commerce commenced with its operation in the year 1996.

To start with the department offered an under graduate degree programme in B Com Computer Application. Later on in 2012 postgraduate M Com finance programme and in 2015 one more undergraduate programme in B Com Commerce and Tax procedure and practice were added to the glory of our department.

Our department is the backbone of the college with maximum strength. I am very much happy and pleased to be the part of this institution.

## DEPARTMENT OF MANAGEMENT STUDIES

The department of management was established in 2012 and is one of the most dynamic departments in National College.

The BBA is an elective course for students to excel in the business sector after the Plus Two. BBA is fast emerging as a course it gives an early start to a rewarding management career. With increased demand in the industry, we aim to groom our students not just academically but also in various co-curricular activities to help them cope with the Industry standards & avail the best placement opportunities.

Talented students are our inspiration, our accomplished faculty represents our dedication to bring leading-edge knowledge and learning to the classroom, and our support staff work tirelessly to provide art facilities.

I invite you to join us in our pursuit of excellence and our desire for scholarly distinction.

Regards,

**Shibitha. B. S**

**Department of Management Studies**

### **About Department**

The Department of Management Studies commenced with the BBA Course in 2012. The number of students in the first batch was 28. Two faculties handled the subjects and the department was managed by the Dept. of Commerce. In 2014, the Department of Management Studies became an independent department. The BBA Programme offered by the Department of Management Studies is affiliated with Kerala University. The course content and structure are as prescribed by the Kerala University – six semesters spanning three years of quality business education culminating in the sixth semester with a project and viva demonstrating how much the student has picked up on what was learned in the three years of his/her business education.

Some of the perks of opting for the BBA programme

1. Access to Study MBA
2. Excellent Career Opportunities
3. Study Multiple Subjects
4. Enhance managerial skills
5. Market Requirements

### **Mission of the department**

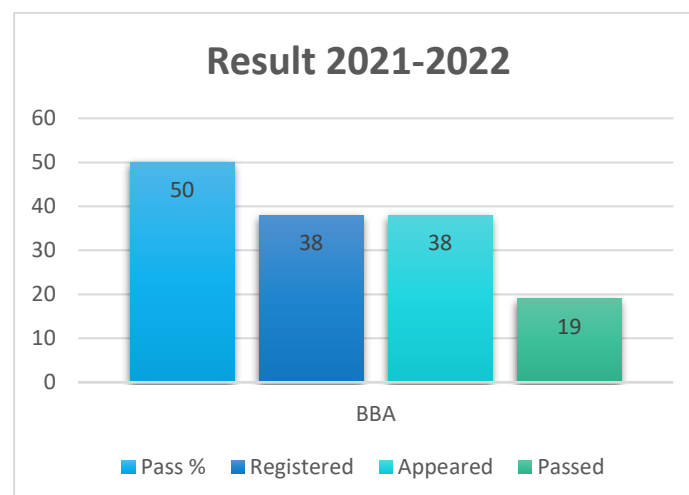

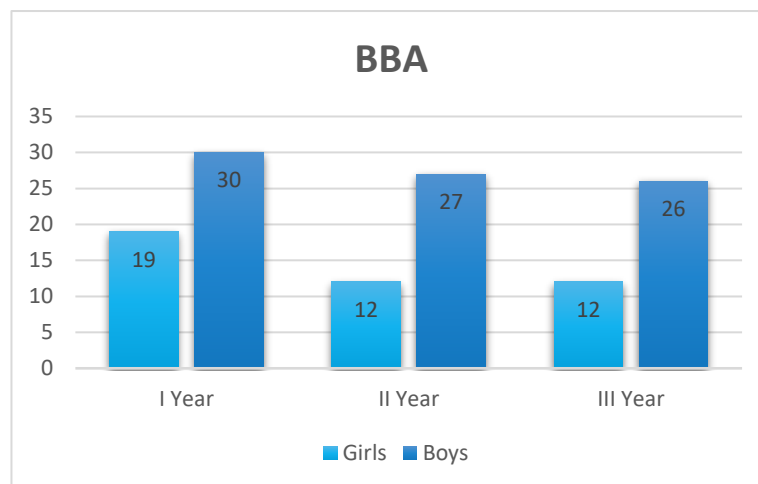

Better Managers for a better world

## DEPARTMENT OF SOCIAL WORK

We offer Bachelor of Social Work (BSW) programme for the social change makers. The BSW program emphasizes knowledge development and skill building for generalist practice, which means practice in any setting with any population. This programme includes an extensive field internship experience whereby students work with actual clients in a social service setting under the supervision of an experienced social worker to develop necessary skills. We provide PG entrance mock test for the final semesters to fly high. Our students got admissions in various nationally reputed social science schools like Tata Institute of Social Sciences(TISS) :Mumbai &Guwahati , Jamia Millia University, Sree Sankara University, Puducherry University, Central University of Kerala etc. All of our faculty are experienced clinicians with practice knowledge for working with clients across the lifespan in a variety of service settings such as child welfare, school systems, community mental health, substance abuse treatment, hospitals, nursing homes, and hospice care settings.

We have our own counselling centre to serve the community. We provide ample opportunities for the students who aim to study abroad after the UG. This year our students grabbed first three ranks from the University of Kerala Results 2022. I congratulate the faculty and the students for their dedication and support. I wish all the students and faculty a great academic career.

Thanking you,

Dr Mohammed Fazil L

HOD, Department of Social Work

### About the Department

## **DEPARTMENT OF PHYSICAL EDUCATION**

Success is not because of luck, it happens through dedicated and committed efforts. I am very happy to submit the annual report of department of Physical Education for the academic year 2021-22. Yet another successful academic year for the department of physical education comes to an end. The department was able to donate some valuable talents to our college, our state and in near future for the nation. The mission started from the date of admission like in the past years. This was the methodology exercised by the department for finding the young talents Talented students were identified in respective events . Such students were again screened and college teams were formed. Also players for individual events were selected and registered. Special training sessions were given to all players for two or three repeats before the events. The result was astonishing that so many medals were now registered in the name of National College in University level, Inter University level, sport council and in National events . Also the department was fortunate to host the prestigious Kerala University Intercollegiate Badminton Tournament 2021 – 22

### **VISION OF THE DEPARTMENT**

The vision of the physical education department is the development and promotion of sports activities for health, educational, social benefits of student community and public.

### **MISSION OF THE DEPARTMENT**

The department has adopted the following mission

1. The department provides adequate infrastructure facilities for sports and games so that students may choose and participate in the events for which they have flair.
2. The department is also interested in better human relations through sports and games, enjoying a perfect balance between sports performance standards, and healthy lifestyle.
3. To imbibe disciplines, leadership qualities, courage and the sense of belonging through sports activities
4. To produce national and international players, by providing opportunities to develop knowledge, skills and values for the enhancement of performance in a wide range of sports through intercollegiate and inter University forums

## **Learning is Life**

### **7- point Student Support Programme**

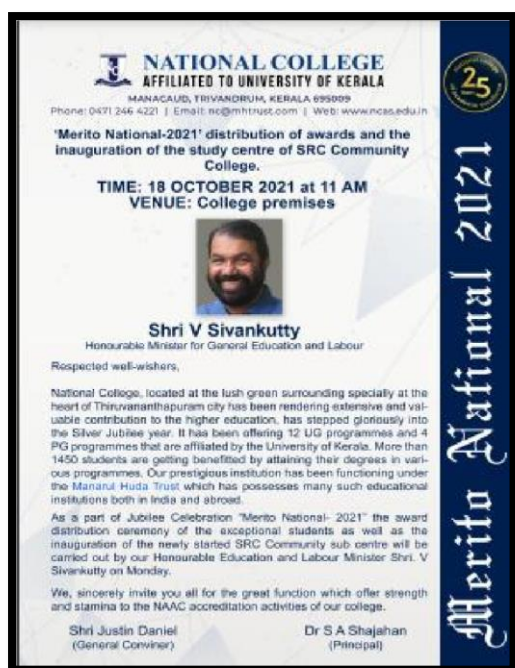

In connection with Silver Jubilee celebration, the college proposes to highlight a seven-point student- support programme for the true empowerment of students.

1. **Discipline:** Discipline is a paramount importance to an educational institution. It sets a testing benchmark for all students and obviously the College is uncompromising with regard to the enforcement of stringent measures laid down for the purpose. The discipline Committee, headed by the Principal, is very alert by keeping tabs on the conduct and character of students such that no untoward incidents crops up under any circumstance. Parents are then and there apprised of serious misbehavior, observed on the part of students, so that the situation is saved from far- reaching down turns. More importantly, students are mentored to create awareness of keeping discipline, a student friendly approach that shows good result. No restrictions are imposed on students from involving in organizational activities but without upsetting the peace and harmony of the campus what so ever. Discipline has ever been the strength and credibility of National College.
2. **Merit ò National:** Merit ò National is a platform formed to promote the academic merits of students. Students who come out with outstanding performance are rewarded felicitously. The exercise is greatly motivational in building up their growth and development, the yardsticks of educational empowerment. Merit ò National has been instrumental in encouraging students to improve performance, bolster confidence and arouse enthusiasm significantly.
3. **Insight ò National:** Insight ò National provides an arena for the students to unearth their hidden potential and make use of their creativities in every respect. The opportunity equips them with sound competitiveness to take up the placement challenges of modern world. The objective is to help students, mobilize their skills, interests and exploiting the immense possibilities remaining dormant in them. Insight ò National is a prestigious programme of the college because it exerts enormous influence in students to bring out their efficiency to the fullest possible extent, where by it also contributes a lot in the process of nation building.

- 4. A Good Placement:** A Placement Cell has been constituted to facilitate students to find out suitable jobs. All Departments are very vigilant in bringing to the notice of students, placement opportunities, observed from various quarters. Merit ò National and Insight ò National play a decisive role in bettering students to get hold of suitable jobs.
- 5. Learning to have a Good Social and Family Life:** A Strong value system is the bed rock of education., imperative for developing good interpersonal relationship. Healthy family/ social life depends on the kind of mutual relationship emerging from the values we up hold. Educational institutions have a great responsibility to tutor right code of conduct, inculcate moral principles, help to develop constructive attitude, ignite inspiring thoughts and implant right beliefs, which would eventually mould the students to lead a good family and social life. In this regard, the student counselling cell has a supporting role, by providing suitable counselling services to students for their psychological well-being.
- 6. Religious and Ethical Values in Society:** The secular fabric of our country allows every citizen to believe and practice one’s religious thoughts without breach of another person’s beliefs. Spiritual values, irrespective of religions, are sure to strengthen the vision of education and mission of life because vast majority of people are religious minded. Moreover, spiritual thoughts emerge as the driving force that sustains ethical values for ever and ever. The college has taken cognizance of the spiritual rights of students and providing facilities for involving in prayer at specified timeslots.
- 7. Ultimatum:** Ultimatum indicates the attainment of total liberation, indicative of the perfection to be achieved in the fullness of time. How to reach wholeness or realize excellence through righteousness, service and fruitfulness is the most important question to be looked into. The ultimate aim of education in life’s journey is to guide mankind from darkness to light, an experience of peace, tranquility and blissful silence.

The programmes and projects framed by the college are essentially in conformity with the objectives of National Educational Policy 2020. Training in life skills management, a prominent area of focus in NEP, is provided for students to whip up their confidence and to enhance their capabilities. Holistic education, another domain of trust, is encouraged by teaching environmental science and interdisciplinary courses at undergraduate level. Orientation programmes for the professional growth of teachers are off and on organized to boost their morale and motivation. The management is very alert to create a vibe on campus which gives rise to positive working environments. Co- curricular activities are planned in such a way that students are able to develop creative thoughts, nature friendly approaches and healthy habits.

## Insight O' National 2021

### Project Launching: 17 December 2021

There is a Divine spark in every individual. Insight o' National aims to kindle that spark, with proper guidance from experts in different fields, to a flame. This will encourage the students to discover their inner potential and to use it for the wellbeing of themselves and the society. Interactions with experts will improve the focus of the students to identify their strengths and to determine directions they need to take in order to succeed in their career and in life as well.

Experts from different fields such as art, music, literature, law, accounting, business, industries, scientific research, academic research, sports and media will give the students a better exposure to see things in a better light. It will equip them in reflecting on

their strengths and interests, explore different fields of higher studies and career opportunities. This programme aims at developing the skills and gaining life experiences to connect with people to obtain greater opportunities.

With the vision of imparting a career orientation to our students, Insight'o National was held on December 17, 2021 in college auditorium. It was the second phase of Merito National, which meant to encourage and guide our students in the right way. The Hon'ble Minister for Food and Civil Supplies Adv. G R Anil inaugurated the ceremony.

The presence of Mr. Mohammed Y Saffurullah IAS, became a huge asset to the event. Dr S A Shajahan, Principal, National College, welcomed the eminent personalities to the ceremony. Mr S Salim, Chairperson Welfare Standing Committee, Thiruvananthapuram Corporation and V S Sulochanan, Trivandrum Corporation Councilor inaugurated the Palliative Care Club and Nature Club respectively. Manarul Huda Trust Administrative Director (Ret) I P S Shri Muhammed Iqbal, IQAC Coordinator Shabeer Ahmed N, Academic Coordinator Fajisa Beevi, Vice Principal Justin Daniel were present at the event.

The college strives to fulfill its mission to provide educational opportunities to all aspiring youth to excel in life by developing academic excellence, fostering values, creating civic responsibility and building global competencies in a dynamic environment.

## **COLLEGE UNION ELECTION 2021-2022**

The college union election for the academic year 2021-22 was held on 15/02/2022. When the college union election notification was published by the university, the college council meeting was held in the principal's chamber and Mr. Shambu K K was appointed as the returning officer. An Election Committee was formed for the smooth conduct of election.

The following faculties were the members of the committee

- 1 Shabeer Ahmed N :Head, Dept. of Biotechnology
- 2 Shine Singh j p: Head, Dept. of Physical Education
3. Shibitha B S : Head, Dept. of Management Studies
4. Ubaid A : Head, Dept. of Arabic
5. Naveen : Asst. Prof, Dept. of Commerce
6. Meenu Gopal : Asst. Prof, Dept. of English

The office order mentioning that Mr. Shambu K K was appointed as the returning officer for the college union election was handed over by the principal along with the University schedule.

All the proceedings were strictly followed and the preparations for the elections were done accordingly. As per the schedule nominations were issued and received from the candidates within the stipulated date and time. Nominations were then scrutinised and valid nominations were published. Due to covid pandemic the first schedule was postponed and a new date was declared by the university.

Polling booths were set up in respective departments and staff were assigned duty. Ballot boxes and ballots were arranged on the previous day itself and kept in store rooms.

On the Election Day, polling materials were issued to the polling officers and polling was started at 10AM itself. Polling ended at 2: 00 PM. Sealed ballot boxes were returned to the counting stations and at 2:00 PM ballot boxes were opened in front of the counting agents and counting officer and the counting started .

After the completion of counting, results of each post were provided by the counting officers along with the signature of counting agents . College union 2021-2022 results were declared, list was published and the entire process was successfully completed.

## WOMEN'S CLUB

The first meeting of the women's club was conducted on 8<sup>th</sup> November 2021. The club was constituted with three staff members. Mrs Bushra N, (Dept of commerce) as the convenor, Bincy B S (Dept of Computer Science) and Soumya Sanan (Dept of Electronics) as Coconvenors. It also consists of student representatives from all departments. SSS

During that Academic year Women's club conducted two programmes. The first one was an online campaign conducted in association with Centre for Women studies, University of Kerala. The campaign was on the topic "Gender sensitization and Anti Dowry aspects". It was conducted on 18<sup>th</sup> November 2021 at 2pm via Google meet(online). The campaign was inaugurated by Dr. K S Anil Kumar, The Registrar, University of Kerala. The introductory speech was delivered by Dr S A Shajahan, The Principal of our college. The resource persons were Dr Bushra Beegum, Director of centre for women studies, University of Kerala and Dr Meena Kumari, Assistant professor, Law college, Tvm. Around 90 participants were present in the campaign. The campaign was very resourceful and informative especially with regard to the social issues prevailing in our society.

The second programme was conducted on the International Women's Day which was on March 8<sup>th</sup> 2022. The title of the programme was "A talk on Women Empowerment and Gender Equality". As part of the programme, we conducted an Essay writing Competition and a Poster making competition on the same topic for the students. The programme was inaugurated by Mrs Lekha K C, Dhyam Chand Award winner for lifetime achievement and The World Boxing Champion. The keynote address was delivered by Mrs Bushra N, Convenor, Women's club. The presidential address was delivered by our Principal Dr S A Shajahan and the felicitation speeches were delivered by Mr Ubaid A, Dept of Arabic and Deepthi R V, Dept of BC &IMB. Students were also given an opportunity to present their opinion on the same topic. And the prizes were distributed to the winners of the competitions conducted. The last meeting of this academic year was conducted on 18<sup>th</sup> April 2022.

## **GENDER JUSTICE FORUM 2**

Govt of Kerala has introduced a forum for gender justice in higher education institutions as per the Govt order 924/2021 H .edu.dept.dated 16.07.2021. National college, Thiruvananthapuram has constituted a forum strictly following the structure of gender justice forum.

### **Structure of the gender justice forum:**

Mrs.Fajisa Beevi S (HOD Commerce dept) has been appointed as the chairperson. Mrs.Lekha K (Librarian), Mrs.Rahila K(Clerk) were appointed as members from non-teaching staff, Mrs.Soorya (PG 3<sup>rd</sup> sem Mcom), Ms.Varsha(UG 5<sup>th</sup> sem Botany and Biotechnology) were also added as members from students group.

### **Activites**

Soon after the forum formed, a whatsapp group was formed to communicate the events and ideas among members on 13.08.2021. The first meeting was held online to formulate some major activities .Conducting general awareness classes for both boys and girls. Pre-marital and post marital counseling and parent services.

An online campaign was conducted by the Centre for women studies University of Kerala with a title “GENDER SENSITIZATION AND ANTI-DOWRY CAMPAIGN”. As per govt order Centre for women studies of University College is conducting a 10 day workshop and we were fortunate to become one among the 10 colleges.

The campaign was conducted on 18.11.2020. The campaign was inaugurated by Dr.K S Anil Kumar, The Registrar, University of Kerala. The introductory speech was delivered by Dr.S A Shajahan, Hon.Principal National college. The campaign on Anti dowry legal aspects was delivered by Dr.Meena Kumari Asst Prof.Law College TVM. The campaign on gender sensitization was delivered by Dr.Bushra Beegom Hon.Director, Centre of women studies, University of Kerala. 70 students and many staff of our college participated in the campaign.

As an activity for students, the committee decided to conduct an essay writing competition titled “LINGA SAMATHUVAM NINGALUDAE KAZHCHAPADIL” Malayalam or English.

The idea was to make the students realize the role of women in the formation of nationality.

## NATURE CLUB

Nature club activities for the academic year 2021-2022 were initiated by appointing Dr. Priya Gopinath. T (Department of Botany) as it's Convenor, Mrs. Deepthi Nair (Department of Commerce) and Mrs. Asha Ashruf (Department of Botany and Biotechnology) as Co-convenors.

The official inauguration of the club was conducted on 17-12-2021 by Sri.V. Sulochanan, Councillor, Thiruvananthapuram Corporation. Membership forms were distributed among the students as part of the registration process and around 45 students registered as members of the club.

The first official meeting of the club was conducted online on 20-12-2021 with the agenda to discuss the activities that could be conducted during the academic year. The students shared many creative and innovative ideas during the meeting.

### Celebration of Christmas

The first activity taken up by the nature club members was the designing of Christmas cards using natural and eco-friendly materials. This activity aimed to highlight the aesthetic value of our Nature and give students an awareness on using eco-friendly materials in our daily life. The handmade cards were presented to The Principal, The Vice-Principal and all the department heads. This gesture came as a pleasant surprise and was greatly appreciated by everyone.

### Name boards for our campus plants/trees

The college is known for its lush foliage and shady trees, some almost as old as the college itself. During the second meeting with the members, it was decided that our next project would be placing name boards for all the trees/ plants in our college campus which may help us to identify and understand the plants around us .

As per the decision taken, the student members of the club prepared name boards under the guidance of the teachers of the Botany department. It was decided that the name boards would indicate its scientific name, family name, common name and local name. The students were very enthusiastic and sincere in their efforts. Metal name boards were procured, painted green and the names on the board were perfectly hand written by students themselves.

On 18/3/2022, we invited our Principal Dr. S.A. Shahjahan to install the first name board in our campus. The event was also attended by the staff and students, who helped enthusiastically to install the rest of the name boards.

Due to the lingering pandemic situation during the academic year 2021-22, the activities were forced to be kept at a minimum but the college plans to get the students involved in more outreach programs through nature club in the next academic phase.

## **LITERARY CLUB**

The activities of the Literary Club of National College operates with the aim to enhance the creative abilities of the learners by encouraging their free expression. The teachers in charge of the Literary Club of 2021-22 were Mrs. Sree Renjini V. G. (Convenor), Mrs Deepthi R. V. and Mrs Bini Mary Varghese (Co- convenors). A few student representatives were also selected.

In connection with the Kerala University Union Youth Festival 2021-22, the club has organised different literary competitions. The winners of these competitions were sent to participate in the Youth Festival.

Literary Club of 2021-22 has planned to organize an Inter-Collegiate Essay Writing Competition with a sum of Rupees 2500 as the First prize, Rupees 1500 as second prize and Rupees 1000 as third prize. Unfortunately because of inadequate fund and tight schedules of Kerala University examinations we could not organise the event on time.

We sincerely believe that we will be able to organise the event in the month of June.

## **RURAL ENTREPRENEURSHIP DEVELOPMENT CELL (REDC)**

General convener: SHAMBU K K

Rural Entrepreneurship Development Cell (REDC) formed under Mahatma Gandhi National Council of Rural Education, Department of Higher Education Government of India. Rural Entrepreneurship Development predominant for the balanced economic growth of the Nation. The Rural Entrepreneurship Development Cell (REDC) aims to encourage student community to take up rural entrepreneurship as their career. It motivates the students to explore untapped rural resources and opportunities available in the zone. It also nurtures the students to become successful rural entrepreneurs. In the current covid 19 pandemic situation our college successfully conducted a 20 days Community Engagement Program under REDC which aimed for guiding and providing awareness camp; services regarding covid 19, post covid syndrome and measures to overcome them for covid 19 patients and their family members.

## **MGNCRE - Community Engagement Services Proforma**

General Convenor: SHAMBU K K

National College, Ambalathara, Thiruvananthapuram, is an affiliated college under the University of Kerala. The college has actively engaged in so many students-oriented activities especially community welfare program. MGNRCE – CEP, under ministry of human resource selected the college as one of the units for formation of RED cell. Under the RED Cell, a Community Engagement Program (CEP) in order centralize our students in community welfare activities in this Covid 19, pandemic situation.

Under CEP, Six sub committees were constituted such as Hospital management team, Non-Hospital management team, Medical support team, Family and Emotional supporting team, Psycho-Social supporting team and Post-Covid support team which were come in function on 7th of June, 2021. Each team had a convenor, two student coordinators along with several other student volunteers. MGNCRE resource person Dr Shiny gave a pre training session for the convenors and student coordinators upon the execution of the program. Each group has functioned on various aspects of Covid 19 disease. The teams were engaged in providing various support and services to Covid 19 patients and survivors. All the volunteers contributed as much as they can to help the society to overcome the pandemic. Various resources were collected and provided for the community and their feedbacks were collected in order to check the effectiveness of the program.

Awareness posters, brochures, and videos created by the volunteers were circulated through social media platforms in order to create awareness among society. Convenors and volunteers done their best to actively participate in fieldworks to provide resources for the needy people.

On behalf of CEP National college, I extend my sincere gratitude to Dr.Shiny C M coordinator of the community engagement program (CEP) for giving us this opportunity. I also thank Dr. S A Shajahan(Principal), Prof. (Dr.) S Thajudeen (Vice Principal) and especially Mrs Fajisa Beevi S, HoD, Department of commerce for their valuable guidance and support. I whole heartedly appreciate the honest feelings and responsibility of my volunteers in this regard. They are always ready to be engaged in every program organized CEP in future.

## TRAINING & PLACEMENT CELL- CAREER GUIDANCE

Career Guidance Cell functions in our institution with the objective to provide learning/training opportunities in the areas of academics, career and personal/social development to prepare students to meet their future challenges, supporting the students in identifying their interests, strengths and planning appropriately to justify their professional needs.

As a part of it, NC career guidance cell approached GTT Foundation for upskilling our students with the permission of our Principal. They responded positively and programmes were charted on online mode.

3 day online programme was hosted in Microsoft Teams from 12/2/22 to 14/2/22

Following topics were covered:

- ✓ Introducing the Life Skills Program
- ✓ Interview Skills
- ✓ Building a strong impression online and sustaining online credibility
- ✓ Self-Awareness
- ✓ Grooming
- ✓ To build strong profiles through effective resume writing
- ✓ Corporate Readiness
- ✓ Values

## ALUMNICOMMITTEEREPORT 2022

A committee meeting was held on 07/04/2022 and combined decisions were taken by the committee members, The selection of members and division of various positions were done in this initial meeting as the selection processes included various responsibilities, as well as positions were shared among the committee members for smooth and accountable functioning of the committee and alumni related events. The assigned positions from the selection process during the initial meeting were as follows:

1. PATRON- Dr. S.A. SHAJAHAN (PRINCIPAL, NATIONAL COLLEGE)
2. COMMITTEE PRESEDIENT:M.r SUDHEER .A
3. SECRETARY: Ms. BINCY B.S
4. JOINT SECRETARY: Mr. ALASJAD
5. TREASURER: Ms. GEETHU KRISHNA. R

Apart from assigning positions for transparent and smooth functioning of the alumni related events, the committee made combined decisions to conduct a department level alumni meetings at proper intervals and also suggested enriching alumnus related functions in every department as the

events hold tremendous potential in increasing the quality of every teaching departments as well as it is a key indicator to showcase the quality of the institution.

During the initial meeting, the committee decided to create forms using google docs to collect the details and status of former students which should ease the process of creating a database of our alumni. During discussions, the members suggested creating dual forms in which one should be distributed to the current pass outs(2019-2022) and the other to all former students.

The alumni committee meeting concluded by recommending the members find out a name for alumni of the national college so that the meetings, events, and functions relating to alumni can have a common banner as well as it can represent the institution on a wholistic level and centralized nature. 15 members were present during the initial meeting of the committee and the committee decided to conduct further meetings to decide on later activities and to analyze the signs of progress of the objectives already assigned.

## **FUTURE ENHANCEMENTS.**

The main enhancement that the college has decided is to interconnect the three blocks of the college to a single centralized unit. That is connecting the eastern and western block to the central block.

Next primary concern is for the seminar hall for each department and a college auditorium where every students can be occupied to have their cultural and academic related activities and programs.
