Teragen Club Events

Teragen Club Inauguration

Event: Teragen Club Inauguration
**Date:** 19/12/23
Time: 1.30 PM
**Venue:** Library Hall

Teragen- A Generation of Terabytes, a new initiative within the Computer Science Department is aimed at fostering a community of tech enthusiasts and learners among our first year students.

The event commenced with a warm welcome address by Akshaya from the S1 B.Sc Computer Science class, setting a congenial tone for the proceedings. Dr. Allwin D, the esteemed Head of the Computer Science Department, then delivered an insightful keynote address, providing valuable insights into the theme of the event. Following this, the event received an honor with the inaugural address by our esteemed Principal, Dr. S A Shajahan, whose words undoubtedly inspired all present.

An Orientation class, integral to the event, was conducted under the guidance of Dr. Mohammed Fazil L, the Head of the Social Work Department. This class likely provided attendees with a broader perspective and deeper understanding of the subject matter at hand. As the event drew to a close, Santhra, student from the S1 B.Sc Computer Science class, extended gratitude to all involved, acknowledging their contributions and efforts.

The Teragen Club inauguration was a significant milestone, setting a positive trajectory for the department's future. The event not only met its objectives but also laid a strong foundation for student engagement and growth. Overall, the event appeared to be a comprehensive and enriching experience, combining academic insight with practical orientation, and fostering a sense of community among attendees.

A Journey to Exam Excellence

Event: Exam Orientation Session
Date: 05/01/24
Time: 2.00 PM
Venue: Library Hall

"A Journey to Exam Excellence" – an exam orientation session was conducted for first-year students under Centre of Technology. The session was designed to equip students with essential information, strategies, and methods to successfully handle their upcoming university examinations.

The event commenced with a warm welcome note by Aromal S S, a student from the S1 B.Sc Computer Science class, setting a welcoming atmosphere for all attendees. This was followed by a significant Presidential address delivered by our respected Principal, Dr. S A Shajahan, highlighting the importance of the occasion. The address was further embellished by felicitation from our Vice Principal, Justin Daniel, adding a touch of honor to the proceedings.

Mr. Sudheer A, Chairman of the Centre for Technology, and Dr. Allwin D, Convenor of the Centre for Technology, took the stage to offer valuable guidance and motivation to students preparing for their first university exams. They provided essential information on exam protocols, including rules, arrival times, permitted materials, and expected conduct. Additionally, they shared effective strategies for

time management and stress management during exams, undoubtedly easing the concerns of many attendees. As the event drew to a close, Afna, a student from the S1 B.Sc Physics with Computer Application class, extended heartfelt thanks to all involved, expressing gratitude for the valuable insights and support provided throughout the event.

The orientation session was well-received, with students expressing appreciation for the clarity and comprehensiveness of the information provided. The event seemed to have provided students with crucial information and encouragement, ensuring they are well-prepared and confident as they approach their university exams.
